

**3354:1-20-08 Sustainability policy.**

- (A) Cuyahoga Community College recognizes that its commitment to education and the community includes responsibility to our environment. The College will lead by example by investigating, developing, and promoting sustainable policies, practices and curricula, with the goal of achieving sustainability throughout the College.
  
- (B) The president or the president's designee is hereby directed to take all steps necessary and appropriate for the effective implementation of this policy.

Effective date: July 19, 2008
