

Our Hope's Closet initiative is in need of your help!

Hope's Closet is an on-campus career wardrobe space coordinated through our Women in Transition Program. Tri-C administrators & staff, along with other faculty and professionals throughout the community, donate business attire and accessories to the closet to benefit both women and men. These donations are then made available to participants of the Women in Transition Program, our campus Career Centers, Veteran Services, and with the greater student body of Cuyahoga Community College who desire to dress for success.

As we work to maintain the constant influx of donations, please consider volunteering your time to sort and organize items in Hope's Closet for easy access. We are limited to the number of volunteers we can accommodate at one time. Whether you donate two hours or ten hours, we are grateful for your assistance. Your generous support makes it possible for our career wardrobe closet to exist; and it is with great pride that we continue to create free access to empower hundreds of students and aid their special shopping experience. Feel free to contact us with any questions or suggestions regarding Hope's Closet initiatives at Kendra.willis@tri-c.edu or 216-987-4187.
